Coming in 2008 to Southeast Chandler! Mesquite Groves Aquatic Center

Making a splash in Southeast Chandler will soon be easier, thanks to the newest addition to the award-winning City of Chandler Aquatics Division: Mesquite Groves Aquatics Center.

Slated to open next year, the new pool is Chandler's sixth public aquatics facility. It will be built at Mesquite Groves Park, currently an undeveloped park site north and west of Basha High School at Val Vista and Riggs roads.

The Mesquite Groves Aquatic Center will be a joint-use facility with the Chandler Unified School District. It will provide the Basha High School swimming and diving programs a home, plus offer year-round swimming programs through the City of Chandler's Aquatics Program.
